

# SINER-GI

## DEFINITIONS

GI: TRIPS definition (Art. 22.1)

« Indications which identify a good as originating in the territory of a Member, or a region or locality in that territory, where a given quality, reputation or other characteristic of the good is essentially attributable to its geographical origin. »

No consideration on the way the GI is protected (special protection, trademark or only use by producers)

# SINER-GI

## DEFINITIONS

Geographical Indication  
(not Indication of Source!)

TRIPS

PDO-PGI (or similar)

Collective / Certification Mark

GI without specific protection

# SINER-GI

## DEFINITIONS

GI Product: product labelled with a GI (= OLP)

No consideration for products labelled with an indication of source!

Indication of source = place of production (made in), without any characteristic or reputation related to the geographical origin

# SINER-GI

## DEFINITIONS

### **Territory products**

Products which comply with the TRIPS definition, but are not (yet) **labelled** with nor **designated** by a GI

# SINER-GI

## DEFINITIONS

Specifically Protected GI (?):

(Administrated GI?, Recognised GI?)

GI registered in a public register with a code of practices

According to specific national or supra-national legal frames:
